

Join Island Girl Yoga Experience for a Retreat in St. Croix, US Virgin Islands

April 21st - 26th 2025

February 16th - 21st 2026

Join us on an incredible adventure in America's Caribbean Paradise: St. Croix! Enjoy luxury living with a private chef blending local ingredients to nourish the body while the island nourishes your soul, and the yoga unites breath with movement. You will experience an underwater snorkeling trail established as a national park by President Kennedy, and a kayaking trip in a bioluminescent bay where Columbus landed in 1493. You will also have the opportunity to perform "Seva," selfless service in the form of animal rescue, by visiting and caring for cats living in Altona Lagoon. Participants may also volunteer to transport a cat or dog to the mainland for adoption with St. Croix's non-profit animal rescue organizations.

Included Yoga:

- two yoga practices daily
- sunrise and morning practices
- restorative evening practices
- guided opportunities to explore your yoga practice on the beach and in other nature and wildlife areas
